we are very excited to hold our 133rd consecutive family reunion in New Hampshire during the 400th anniversary celebration of the founding of Rye.

The first settlement originated at Odiorne Point in 1623 and was considered part of Portsmouth and the territory south to Hampton. In 1726, Rye became its own Parish and in 1785 registered as a Town.

Many families settled this New Hampshire coastline including the Lockes (Locks). We are considered one of the Founding Families. Captain John Locke and his brother, Nathaniel, and their descendants married into many of the local families. Each of us can probably trace our ancestors to a variety of the original Founding Families. Some of the familiar names are Berry, Foss, Jenness, Odiorne, and Philbrick just to name a very few.

Please refer to [www.ryenh400.org](http://www.ryenh400.org) for a complete listing of the 43 Founding Families. There is a great deal of information on this site including an events calendar of activities. Pay particular attention to Sunday Aug. 6 when we co-host an outdoor Founding Families Social.

Please note that we will be staying in Concord, NH, approximately 40 miles from Rye. The Courtyard by Marriott Grappone Conference Center, is offering a block of rooms to LFA attendees from Thursday Aug 3 through and including Sunday Aug 6 for the group rate of \$159.00 per night. Please call the hotel directly at 603-225-0303 for reservations by Thursday July 13, 2023. 70 Constitution Ave Concord, NH 03301
